## Interim Structure Notice

This organogram represents the interim provincial structure of NJ-COSA for the Eastern Cape province.

### Key Points:

- This structure operates through three main sectors: NPOs, NPCs, and Cooperatives
- All PEC members and District Coordinators report directly to the Deputy CEO
- The structure is subject to change when other districts in the province join NJ-COSA.
- The structure will be formalized through a provincial conference
- This interim arrangement ensures effective governance and representation across all sectors
- NJ-COSA brings communities, organizations, and partners together to create lasting impact
