ANNOUNCEMENT ON THE RESCHEDULING OF THE NJ-COSA TRADE SHOW 2026

The NPO Joint Collaboration of South Africa **(NJ-COSA)** wishes to inform all stakeholders, strategic partners, sponsors, exhibitors, participating organisations and members of the public that the OR Tambo Trade Show 2026 has been rescheduled.

The revised programme will now commence with the NJ-COSA Strategic Planning Session, which will serve as an important platform for reviewing the organisation's strategic priorities, strengthening partnerships and ensuring that the Trade Show is aligned with NJ-COSA's broader objectives for entrepreneurship, investment, innovation, employment creation and sustainable community development.

The date and venue of the NJ-COSA Strategic Planning Session will be announced in due course.

The rescheduling is intended to provide NJ-COSA and its partners with an opportunity to further strengthen the programme, stakeholder participation, partnerships and implementation arrangements for the Trade Show. It will also allow for enhanced coordination with entrepreneurs, businesses, government institutions, investors, cooperatives, community organisations and development partners.

NJ-COSA remains committed to creating a meaningful platform that promotes:

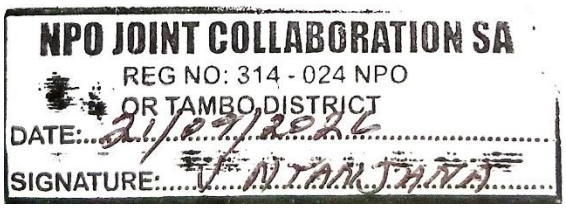
- Entrepreneurship and enterprise development;
- Investment and business opportunities;
- Innovation and technology;
- Youth and women-owned enterprises;
- SMMEs and cooperatives;

- Employment creation and sustainable livelihoods;
- Market access and business networking; and
- Sustainable community development within the OR Tambo District.

We sincerely appreciate the continued interest, support and commitment of our strategic partners, sponsors, exhibitors, entrepreneurs, community organisations and other stakeholders.

Further information regarding the NJ-COSA Strategic Planning Session and the revised dates for the OR Tambo Trade Show 2026 will be communicated once the arrangements have been finalised.

NJ-COSA looks forward to working with all stakeholders to ensure that the rescheduled programme delivers meaningful opportunities for economic participation, partnership, investment and community development.

Issued by:


Vuyani Ntanjana: NJ-COSA Board Chairperson
NPO Joint Collaboration of South Africa (NJ-COSA)
